Name: _____

The 2 consecutive dates of this count are: ***May 9 & 10***

Merlin Bird Counts - How to

Start the Merlin app while standing in your yard. Press the "Sound ID" button to begin identifying bird songs. Merlin will list, in order, the songs it can identify. It will continue to record songs until you press the red stop button. After pressing. the stop button, write down all the birds in the space below that Merlin has identified as well as the start time and length of each recording session. Please remember to complete the rest of the form. Thanks!
